	Information Gather	Register & Plan		Learn	Access your progress	Run up to test day	Test Day!
	January - April	From May onwards		Week 1	Week 2-3	Week 4	Test Day!
<p>To do list</p> 	<ul style="list-style-type: none"> Research which schools you are interested in applying to and check what their exam requirements are. 	<ul style="list-style-type: none"> Research test centres near you and book your UKCAT test date. Schedule your preparation course approximately 4 weeks before your test date. This will give you enough time to work through all your practice material and still remember all the key strategies and techniques. Now focus on your AS Levels! 	<ul style="list-style-type: none"> Start with taking your Kaplan UKCAT course, it is best not to start reviewing too many practice questions beforehand, as this can lead to the early learning of bad habits! Once you have completed your course, you now have access to your Online Study Plan. This includes 6 full length practice tests and 30 Quizzes. Take Practice Test 1 and help identify your weaker areas and establish a score to build from. 	<ul style="list-style-type: none"> As you identify areas that you need to work on, it's best to go ahead and review the relevant online videos from the course, to make sure you understand the strategies and techniques. Follow up your video review with practice using your mastery questions and section focused quizzes. This will make sure you do not work through your practice tests too quickly. Continue to work through your full length practice tests, going through the detailed explanations, to help your understand why the incorrect answer choices were wrong and why the right answer is right! This will also help you identify areas that need more practice and review. 	<ul style="list-style-type: none"> Keep studying through the home stretch! Review each of the lessons and strategy sessions from your course book and online videos. Make sure to take note of what you can and cannot bring into the test centre. Get a good night's sleep! 	<ul style="list-style-type: none"> Plan to get to the test centre approximately 30 minutes early, so you won't be late. Answer every question! Tell us how you did! We love to hear about our students test day experiences, email us at london.centre@kaplan.com 	
<p>Resources</p> 	<ul style="list-style-type: none"> www.UCAS.com 	<ul style="list-style-type: none"> www.pearsonvue.com/ukcat/signin/ Get a sneak peek into the UKCAT with: <ul style="list-style-type: none"> Free UKCAT Short Test Free 20-minute UKCAT Workout www.kaptest.co.uk/ukcat/practice-questions 	<ul style="list-style-type: none"> Included course resources: <ul style="list-style-type: none"> 6 Full length practice Tests 30 section focused quizzes with over 700 questions Over 500 additional mastery practice questions Kaplan UKCAT Strategy Book 2 Official UKCAT Practice Tests from ukcat.ac.uk 	<ul style="list-style-type: none"> Download a free guide to medical professionalism - this will help you with your situational judgement section. www.gmc-uk.org/guidance/good_medical_practice.asp 	<ul style="list-style-type: none"> Check what you can bring with you on test day: www.ukcat.ac.uk/test-day/test-experience/ 		
<p>Tips</p> 	<ul style="list-style-type: none"> Take note that some schools may require the UKCAT/BMAT for graduate entry programs too, so make sure you prep for the right exam at the right stage. 	<ul style="list-style-type: none"> The further in advance you book, the greater your choice of available test dates at your desired location. Plan to prepare in the way you learn best, i.e. Classes, tutoring, self-study. 	<ul style="list-style-type: none"> Replicate actual test conditions when you take the full length tests. Do not use your study materials. Don't spend too long on any single question, as you will run out of time & valuable marks! 	<ul style="list-style-type: none"> Remember to keep on reviewing your stronger areas, spending extra time on your weaker areas. 	<ul style="list-style-type: none"> Make time each day in the week before the test to relax and have fun with your friends and family. Time away from the UKCAT will help reduce stress. Remember you will be one of few UKCAT test takers to have prepared thoroughly for the UKCAT exam, giving you a huge advantage on test day! 	<ul style="list-style-type: none"> Bring a snack to eat before you enter the test room. Note: You will not be able to bring anything into the test room with you, a locker will be provided.
